Your Ref.: **PB22-LHV2**

Dear sir

I received your letter informing me of the successful claim you made against Beaufort Securities Ltd. and am pleasantly surprised by the amount you managed to claim back and very grateful for doing so.

You mention in your letter that you are reviewing the claim and will possibly appeal it so I thought it worth mentioning that the first amount of shares I bought were 2000 x Bioprogress. I have received the calculation summery from fscs and there is no mention of Bioprogress on it. If you think it is worth pursuing this it would be your decision, I won't loose any sleep if you don't.

Kind regards

B F.

Dear Claire and Ashley,

Thank you very much for the bank transfer of £938.29 which was credited to my bank account this morning.

Thank you both for your efficient, helpful and efficient service at all times which is greatly appreciated. Also Claire for transferring the money to my Bank Account very speedily.

I would like to send an email to your Director to mention how happy I am with your wonderful service. Please let me have the full details and email address so that I can write to the person concerned. If not you have my permission to forward my email to the Director.

On a separate issue, whilst clearing up, I have found a contract note from Park Equity Services Ltd for the purchase of 60,000 Water Hall Group PLC shares in March 1995. Will I be entitled to any compensation? Please let me know.

Thanking you.

Kind regards,

FAO Ewan Porter and Claire Brooksby

Just received bank transfer as per Claire's call and letter dated 31 March. Also received letter from FSCS. Many thanks. I want to place on record my appreciation of your handling of this claim from start to finish. I have to say that prior to contacting you I was very suspicious as to what would happen and your credentials. However it was all professionally and very well handled. I had previously tried to claim from FSCS and had been rejected for lack of sufficient evidence. You obviously had much more evidence than me, and put in more effort from your greater resources and knowledge. So I'd don't begrudge you your fee at all. 70% of investment returned plus interest is great and a lot better than 0%!

Look forward to seeing how you get on with my other claim re Catalyst Investment Group in due course.

Dear Mrs. Brooksby,

Thank you for your recent letters dated 31st March and 2nd April, advising us that you were successful in claiming back compensation awards from the FSCS.

We are extremely grateful to receive this good news, followed by credits added to our bank accounts.

As you know, we appealed long and hard, but had to abandon our efforts a long time ago as it was obvious that we had reached the end of the line and gave up on achieving justice.

So it was wonderful news that you had achieved success with our claims, and we are very grateful for all you have done on our behalf.

Yours sincerely,

FOR THE ATTENTION OF EWAN PORTER

Dear Ewan

I would normally write "properly" and post, but in current circumstances, email is probably the best option.

With reference to your letter dated 27th April 2020 and our subsequent conversation, I would like to place on record my thanks to you, and all your colleagues who were involved, for dealing with the claim and for organising a satisfactory solution. I appreciate that your firm gets paid well for the task, but without your input, we would not have made any recovery.

So thank you for explaining the process and handling it so efficiently.

Kind regards

John

PS My sister, Mrs S, who is the coexecutor, also passes on her thanks.

I look forward to receiving a cheque from you for £844.43

Dear Mr. Carroll and Claire Brooksby.

Firstly, I send my sincere thanks for the cheque, which I received on Saturday.
Secondly. I wish to thank you both and other personnel involved for all the work carried out, resulting in achieving this payout, I'm absolutely over the moon with this achievement.

Thirdly. I'm thankful I decided to go ahead with your offer to investigate, considering way back in 2014 the F.S.C.S turned down my case, which cost me a good sum of money, so I wasn't expecting this fantastic reward, and will certainly recommend your company to anybody having or experiencing similar problems.

I did have a close friend who was doing the same investing as me, and attempted

to recover his losses to no avail.
Sadly he is no longer in this world.

I have had to put this ⁱⁿ writing
rather than on google which not
only me, but other personnel were
able to achieve my satisfactory
result.

Once again my sincere thanks
on a great achievement

Good morning Charlotte,

I am contacting you to thank you for the fantastic service from you and the staff at Hallbrook & Partners.

From sending you my signed agreements on Monday I have received my settlement cheque just 5 days later.

I must admit I was sceptical when I was first contacted by Hallbrook because of the various scams that we have to contend with these days. It is a pleasure to be told upfront your terms, agree them and not have them altered for some spurious reason.

Thanks once again.

Subject: My recent claim

Dear info@Hallbrook.Claims,

I am writing to express my thanks for a job well done in regards to my recent claim ref: PB22-.

I must admit I was sceptical to start with. I had been written to about half a dozen times explaining that I may have a case against Everett and each time I thought it was a scam! Eventually, one of the letters struck a chord – it gave a list of all the reasons why people don't take action and I thought, that's me. So I started to investigate further and it all started to look legitimate and above board, so I thought I'd take a chance.

I am so pleased that I did. Edward Payne, Darren Ashmore and Charlotte Clarke made the whole process very simple. I completed a couple of questionnaires had maybe 4 or 5 short phone calls in total and about 6 weeks later I'm now several thousand pounds better off. I could have tried to do this myself but the likely outcome would probably not have been as good and certainly would have taken a whole lot longer.

So please accept my sincere thanks and I'm more than happy for you to use the above on your web site if such a thing would be appropriate.

Kind Regards,

Mark.

Dear Ms Brooksby

Reference PB22-

Your company had been much on my mind recently, as it was one of a number of organisations that it was necessary to contact to advise of my recent change of address.

Imagine my delight therefore to receive your letter dated September 29th which had been re-addressed to me at my new current address as shown above.

I have not as yet had my landline transferred, hopefully it will remain but I have included my cell phone number should you wish to contact me.

Meanwhile very many thanks for the efforts made on my behalf, and indeed those you are continuing to make.

Yours sincerely
